#### Sub : Refurbishment of Rotor Assembly of Boiler-4 ID Fan

Dear Sir,

This is with reference to the repair and balancing activities carried out by you on the rotor assembly of ID Fan of Boiler-4, at your works per our Work Order No. 17236259 dated 29.04.05.

We wish to inform you that the repaired rotor assembly has been re-assembled and commissioned on 09 May 2005. The performance has been excellent and the fan is presently operating very smoothly. The vibration levels are almost insignificant.

We wish to place on record our appreciation for the excellent work done by you in restoring the health of the said ID Fan. Since this is such a critical piece of equipment, your co-operation both in terms of the quality of work and quick delivery has helped us immensely in putting the equipment back into healthy operation without substantial downtime.

We look forward to receiving services of such high quality from you in the future too.

Thanking You,

Yours Sincerely,

A Guharoy

Chief Maintenance Manager
